

QUALITY POLICY STATEMENT

Issued October 2014

A P Broome Landscapes Ltd (the 'Organisation') operates a Quality Management System that has gained BS EN ISO 9001:2008 certification, including aspects specific to the provision of landscape maintenance to the public and private sector including grass cutting, weed control, flagging, fencing, seeding and all aspects of tree work

Our quality objectives for 2015 are:

- Develop monitoring techniques including benchmarking systems prior to December 2015 to enable improved comparison capabilities of our Health, Safety, Quality & Environmental Performance in relation to our industry and competitors
- Focus on the review and improvement of our Company Induction & training processes to ensure clear communication to all employees and contractors during 2015
- Continue to develop training calendar, schedules, workshops and training facilities to maximise continuity with seasonal working plans and geographical locations of teams and contractors throughout the UK
- Continue to develop training records through investment & implementation of new technologies, procedures and communication channels
- Further develop internal audit procedures of the HSQE Management systems

The Managing Director has ultimate responsibility for the quality policy and management system and is committed to provide adequate financial and physical resource and facilities to deliver and maintain high standards of service delivery and to develop and maintain the Quality Management System and its objectives.

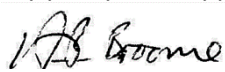

The Organisation complies with all relevant statutory and regulatory requirements

Quality performance will be measured, analysed and reviewed regularly and appropriate actions will be implemented to continuously improve the performance of the Organisation and the service provided to its clients.

Each employee has a responsibility to work in accordance with all quality procedures outlined within the quality management system

All arrangements for the QMS are contained or referenced within the Quality Manual and the company Standard Operating Procedures, Codes of Practice, Method Statements, and other documented procedures contained within the HSQE Management System

Copies of this quality policy and supporting information are made available to all employees

Signed: 

Mr Anthony Broome

Managing Director
